

## Johnny Comes Down to Hilo

I never seen the like since I been born,  
A great big sailor with his sea boots on,  
*When Johnny comes down to Hilo*  
*Poor old man!*

Chorus:

*I'll wake her, I'll shake her,*  
*I'll wake that girl with the blue dress on!*  
*When Johnny ..*

I had a little girl across the sea,  
She's a Badian beauty, and she says to me,  
*When Johnny ..*

Chorus

There was an old sailor called Uncle Ned  
He had no hair hanging from his head  
*When Johnny ..*

Chorus

O, was you ever in Mobile Bay,  
Where they screws the cotton all through the day?  
*When Johnny ..*

Chorus

Have you ever seen the old Plantation boss  
With a long tailed filly and a big black hoss?  
*When Johnny comes down to Hilo*  
*Poor old man!*
